

For nonprofit  
organizations

# Device solutions for nonprofits on the move

Empower your staff and volunteers  
with a device portfolio that enables  
productivity from anywhere.

Microsoft Surface for Business offers a versatile device portfolio that helps empower nonprofit staff and volunteers to deliver effective programming and accelerate mission outcomes.

Lightweight, mobile, and powerful, Surface devices deliver value, end-to-end security, and a premium experience that supports all nonprofit staff, from volunteers and field workers, to marketing and fundraising personnel, to leadership.

“Right out of the gate, the Surface devices, security integrations, and Microsoft 365 increased our confidence. It’s gold.”

Mark Bennett, Director of Digital and IT at the [Salvation Army New Zealand](#).

## Surface devices and Microsoft 365 work together to empower nonprofit staff with:

### Next-level productivity and collaboration

Surface + Microsoft Teams + Copilot enable crystal clear meetings with high-end cameras, optimized microphones, and quality speakers. Digital whiteboards help nonprofits brainstorm and real-time pen and inking capabilities help your staff streamline marketing, fundraising, and operations management.

### Cloud managed devices

Enable work from anywhere while keeping control with zero-touch deployment and seamless device management. Dispersed staff just unbox and sign in. Surface + Microsoft 365 gives them the freedom to work their way and protection by the best modern security and manageability platform from Microsoft.

### Chip-to-cloud security

Security is built into every layer, from the supply chain to the firmware to the operating system, helping to keep data safer than ever. Surface powered by Microsoft 365 helps improve security across your workforce.

### Sustainability

Surface is designed with the circular economy in mind to minimize waste and extend the device lifespan. From sourcing and manufacturing to packaging and recycling, Surface delivers impact for your nonprofit while working to minimize impact for the planet.

### Best of Microsoft

Experience the best of Microsoft—Copilot, Microsoft 365, Dynamics 365, Azure, Windows—on a Surface device.

## Volunteer coordinators

### Challenges

- Communicating the mission clearly with local volunteers
- Documenting events while working remotely
- Staying connected to email, meetings, and colleagues while on the go or without reliable Wi-Fi access
- Servicing the changing needs of constituents and volunteers in a hybrid world

### Empower coordinators to drive the mission with **Surface Pro**

- Handle multiple tasks and take on tough projects with this industry-leading Surface 2-in-1. An extended battery life<sup>2</sup> makes it easy to use at events and training activities
- Premium design projects a nonprofit's professional image
- Faster processor speed (than previous Surface Pros) to run business-critical software and productivity apps
- High-resolution touchscreen to present mission images and videos clearly to volunteers and donors
- Surface Pen\* for e-signatures (go paperless)
- Quality speakers, mics, and cameras for video calls
- Optional LTE<sup>1</sup> for anywhere connectivity

## Fundraising managers

### Challenges

- Staying connected while traveling to meet with donors
- Communicating the mission clearly to prospective donors whether onsite or virtually
- Collaborating with colleagues and directors on campaigns and donor agreements while on the go

### Help ensure successful fundraising campaigns with **Surface Pro**

- Ultra-light and versatile 2-in-1 device with long-lasting battery<sup>2</sup> adapts to where and how managers work
- Powerful processors to run business apps and intensive reports
- 13" PixelSense™ high-resolution touch screen + Surface Pen\* for digital note taking and e-signatures
- High-end cameras, optimized microphones, and quality speakers for more effective video calls and team collaboration
- Rear-facing camera to capture and share photos of effective promotional displays and donor appreciation photo ops
- Extend the ultimate desktop experience with Thunderbolt™ 4 ports and Windows
- Optional LTE<sup>1</sup> for anywhere connectivity

\* Sold separately.

<sup>1</sup> LTE functionality available on select configurations only. Service availability and performance subject to service provider's network. Contact your service provider for details, compatibility, pricing, SIM card, and activation. See all specs and frequencies at [surface.com](https://surface.com).

<sup>2</sup> Battery life varies significantly based on usage, network and feature configuration, signal strength, settings, and other factors. See [aka.ms/SurfaceBatteryPerformance](https://aka.ms/SurfaceBatteryPerformance) for details.

## Directors

### Challenges

- Overseeing the health of the nonprofit and staff well-being
- Providing leadership across multifunctional teams
- Collaborating on mission strategy and development plans
- Being a positive reflection of the organization's brand

### Focus on leadership and mission growth with **Surface Laptop**

- Premium design projects a nonprofit's professional image
- 15" PixelSense™ display to view documents in brilliant detail
- Powerful processors to run business-critical software, financial reports, and productivity apps
- Peak performance with an anti-reflective touchscreen display, Studio Camera, extra ports, and enterprise security
- Launch Copilot with one touch to streamline your workday with AI assistance. Express yourself more clearly with the Surface Laptop 6 touch, pen, and voice capabilities

## Marketing teams

### Challenges

- Connecting with colleagues in a hybrid work environment
- Enabling collaboration across multi-functional teams
- Communicating new fundraising campaigns to managers and donors

### Empower team collaboration with **Surface Hub**

- Microsoft Teams-certified meetings platform + high-end cameras, optimized microphones, and quality speakers enables effective hybrid (in-person + remote) meetings
- Large, 4K screen to share presentations with stakeholders
- Pen, inking, and whiteboard capabilities to ideate new plans
- Wall-mounted or lightweight and mobile (with stand + battery\*) to make any space a teamwork space
